Main Line Project Phases / Family Growth

| | |
|------|---|
| 2000 | First Composition based on the Planet Model |
| 2001 | DrathModell (Construction made with Wire and Paper) Planet 3D : 3D projections of the 4D Model Pure Geometrical search and proof of the coordinates |
| 2002 | 3D Sculpture as projection made of Glass Test with group of flutists Movie Score for "Judische Friedhof" |
| 2005 | PhD Start at the University of Toulouse |
| 2006 | Planet 4D : Points on a hypersphere : Musical Objects First public appearance : Irpall |

| | |
|------|---|
| | Search and proof with the help of Graph Theory |
| 2007 | Interactive Software Planet Loops |
| 2008 | Model Deposit at INPI Theater Show at L'Union Model calculation with Quaternions |
| 2009 | Recording with various Artists Techno, Rap |
| 2010 | Hypersphere of Chords : Tonal Music Live performances Interactive Sculpture Meteo |
| 2011 | Hypersphere of AnySet : Atonal Music Movie Premiere "From Circles to Hyperspheres", Paris Beaubourg <u>PhD Defended : Dec 05</u> Très Honorable avec Félicitations du Jury (Highest Honors / summa cum laude) |

| | |
|----------|---|
| 2012 | Hypersphere of Spectra : Spectral Music |
| 2013 | <p><i>Beethoven Through the looking Glass</i></p> <p>« New » isometries in the Hypersphere</p> <p>Hypersphere of Generalized Tonnetze : Tonal Music on other Tonnetze</p> <p><i>Movie Premiere "From Circles to Hyperspheres" Part II, Montreal McGill</i></p> <p>Hypersphere of Chicken : Chicken Wire in 4D</p> |
| 2014 | <p><i>When Math'n Pop goes 4D: Pedagogic Animations for large Public</i></p> <p><i>SpinnenTonnetz: original 2D Tonnetz with Tonal Regions</i></p> |
| 2015 | <p><i>Tempered Chromatic Circle : 2d Visualization for Temperaments</i></p> <p><i>Tempered Harmonic Cube : 3d Visualization for Temperaments</i></p> <p><i>Embedding Cube Dance in 4D</i></p> <p><i>Movie Premiere "From Circles to Hyperspheres" Part III, London Queen, Mary University</i></p> |
| Projects | |
| ??? | <i>My Recurrent Dream : Hypersphere of Rythms : collaborator needed.</i> |

| | |
|------|---|
| 201? | <i>Integration of Planet Model into a 3D Game engine, with C.J. Basichis Cartoon Networks, Los Angeles.</i> |
| 201? | <i>Tests Music and 4D images in RealTime with P.H. Vulliard & Team, Scrine Labri Bordeaux</i> |
| 201? | <i>Real Planet4D to 3D with Gilles Azzaro</i> |
| 2017 | <i>Hypersphere of Temperaments : 4D Visualization for non equal tempered pieces with André Calvet.</i> |
| 2017 | <i>Hypersphere of 7th Chords: Extension of Hypersphere of Chords with Jack Douthett.</i> |
| ??? | <i>Hypersphere of Phases : with Emmanuel Amiot ?</i> |

Talks

| Date | Purpose | Where | Type | Title |
|-----------|-----------------|-------------------------------|---------------------------|--|
| 16 Nov 06 | Irpall | Irpall Université de Toulouse | Public Conference | Une modelisation alternative du cycle des quintes |
| 05 Dec 07 | Doc to Me / LLA | Université de Toulouse | PhD Presentations | Recherche d'un nouveau modèle de représentation des notes |
| 19 Jan 10 | Math Institute | Université de Toulouse | Graphs Seminar | Invention d'un modèle de relations harmoniques par théorie des graphes |
| 05 Feb 10 | Journées LLA | Labo LLA Univ Toulouse | Arts and Music Conference | De Newton à Riemann, interactions mathématico musicales plastiques |

| | | | | |
|-----------|--------------------------|--------------------------------|-----------------------|---|
| 12 Feb 10 | Math Institute | Université de Toulouse | Graphs Seminar | Quaternions Graphes et musique |
| 12 Mar 10 | Mamux | IRCAM, Centre Pompidou, Paris | Mathemusic Seminar | Linguistique, Graphes et Musique : Le modèle Planet ses applications |
| 01 Jun 10 | Meteorologie | Centre Bellegarde Toulouse | Installation | Météorologie : Installation Interactive with Charles G |
| 29 Jun 10 | 8 FCC | Université d'Orsay, Paris | Graph Congres | Representation of musical pitch space using graphs, spectrum and hyperspaces |
| 29 Jul 10 | Champs Libres | Museum de Toulouse | Public Conference | Entre Math et Musique : l'équation poétique |
| 27 Aug 10 | Show | Fete de Saint Julien | Public Show | Projection of 4D images during Mel Dogman show |
| 14 Jan 11 | Mathemusical Day | IRMA Université de Strasbourg | Mathemusic Conference | Visualisation 4D de l'espace des hauteurs basée sur la théorie spectrale des graphes |
| 16 Jun 11 | MCM 2011 | IRCAM, Centre Pompidou, Paris | Mathemusic Congress | Workshop : From Circle to Hyperspheres, When Tonnetze go 4D |
| 16 Jun 11 | MCM 2011 | IRCAM, Centre Pompidou, Paris | Poster Session | The Planet 4D Model : an original hypersymmetric music space based on graph theory |
| 18 Jun 11 | Festival Agora | Palais de la Découverte, Paris | Public Conference | Film premiere : From Circle to Hyperspheres, When Tonnetze go 4D |
| 05 Dec 11 | Phd Defense | Université de Toulouse | PhD Defense | Application de la théorie spectrale des graphes à des musicaux Modélisation et visualisation en Hyperespa |

| | | | | |
|------------|---------------------------------|----------------------------------|---------------------|---|
| 04 May 12 | Mamux | IRCAM, Centre Pompidou, Paris | Mathemusic Seminar | The Hypersphere of Spectra, with S. de Gérando |
| 30 May 12 | Ingesup | Ingésup Engineer School Toulouse | Student Seminar | Aspects Infographiques de la Mathémusique |
| 11 Jun 12 | Labri | Université de Bordeaux | Graphs Seminar | Application de la théorie spectrale des graphes à des musicaux Modélisation et visualisation en Hyperespace |
| 18 Jun 12 | Isatis | Club Isatis Toulouse | Public Conference | La musique en quatre dimensions Sons, formes, couleurs, visualiser la musique |
| 14 Dec 12 | Matin Musical | Amphi du Matin Musical Moissac | Public Conference | « T'as vu le son ? » Son, formes et couleurs, visualiser l'Harmonie... |
| 06 June 13 | IKA @ Architektur | Technische Universität Darmstadt | Pre Release | From Circle to Hypersphere Part I and II |
| 12 June 13 | <u>MCM 2013</u> | Mc Gill University Montreal, QC | Mathemusic Congress | Movie Premiere : From Circle to Hyperspheres, Part II 4D Tonnetze, Spectra And Odd Symmetries. |
| 14 Jun 13 | MCM 2013 | Mc Gill University Montreal, QC | Poster Session | The Planet 4D Extensions: using Hyperspheres for new musical applications. |
| 05 Oct 13 | Ircam | Université de Perpignan | Mathemusic Seminar | Movie Projection and Carte Blanche From Circle to Hyperspheres, Musical Applications |
| 21 Nov 13 | Labri/Scrimé | Université de Bordeaux | Conference | Movie Long Version, + Planet of Chickens |

| | | | | |
|--------------|----------------|-----------------------------------|--|---|
| 24 Nov 13 | Scrine | Chateau du Diable Bordeaux | Performance | Real Time Hypersphere performed with P.H Vulliard |
| 04 Feb 14 | Café-Concert | La Chapelle Gely Montpellier | Conference, Concert w M.Andreatta,E.Amiot | Mathémusique : Un voyage entre la pop, la musique classique et la chanson |
| 15 Apr 14 | GRD ESARS | Imaginarium de Lille | Mathemusic Seminar | When Math'n Pop Goes 4D |
| 19 Jun 14 | ENAC | ENAC Toulouse | Conference | Math and Music , en route to some Hyperspaces |
| 02 Jul 14 | Stage Math | Univ Toulouse | Conférence | Math et Musique : trop Style Pour jeunes talents mathématiques |
| 16 Sep 14 | ICMC/SMC | Univ of Athens | Workshop | Formal and Computational Models in Pop Music |
| 12 Oct 14 | Fête des Maths | Pierre Fermat's House Beaumont | Conférence grand Public | Mathematiques et musique : une introduction w E.Amiot,M.Andreatta. |
| 04 Nov 14 | Café-Concert | La Chapelle Gely Montpellier | Conference, Concert | « Bach, entre nombre et géométrie » w M.Andreatta,E.Amiot,A.Calvet |
| 06 Nov 14 | Labri | Université de Bordeaux | Workshop | Graphes et régions tonales. |
| 15-16 Dec 14 | JAM / Ircam | Ircam Paris | Présentation W. Hugues Seress | Musiques « populaires » d'aujourd'hui et musiques « savantes » du passé : styles divergents, fonctionnements communs. |

| | | | | |
|------------|------------------|---------------------------------|--------------------------------|---|
| 16 Dec 14 | GDR ESARS | Uni Descartes Paris | Movie + Discussion | Tonnetze et Chansons Hamiltoniennes w. M.Andreatta |
| 06 Feb 15 | Mamux | IRCAM, Centre Pompidou, Paris | Mathemusic Seminar | Visualisation de Tempéraments w. A. Calvet |
| 27 Mar 15 | Conférence | Université de la Sorbonne Paris | Présentation | Tonalités, Régions Tonales.... w. H. Seress |
| 23 June 15 | MCM 2015 | Queen Mary University London | Poster Session | Spinnen Tonnetz, Tonal Regions with H.Seress |
| 24 June 15 | <u>MCM 2015</u> | Mc Gill University Montreal, QC | Mathemusic Congress | Movie Premiere : From Circle to Hyperspheres, Part III Exploring new mathemusical dimensions. |
| 05 Mar 16 | GDR ESARS | Uni Descartes Paris | Présentation | Tonnetz et Spinnen-Tonnetz |
| 05 Mar 16 | Conf-Concert | Conservatoire Paris 6 | Concert | Concert Mathemusical w M.Andreatta,G.Bloch,H.Sellin,Polo |
| 18 Avr 16 | Conf-Concert | Firenze, Italy | Festa della Mathematica | «Matematica e musica» w E.Amiot, M.Andreatta. |
| 02 May 16 | Movie Projection | Casino de Luchon | Nearby event for Graph Seminar | Projection grand public « Math et Musique l'Equation Poétique » |
| 28 May 16 | Stage Math | Univ Toulouse 1 | Atelier pédagogique | Cercle Sofia Kovalevskaïa / Animath « Math et Musique, un voyage géométrique » |

| | | | | |
|-------------|--------------------|--|--------------------------------------|---|
| 21 Sep 16 | Artwork Exhibition | Faculty of Math Ljubljana, Slovenia | Math Artwork Exhibition | European Society for Math and Arts |
| 22 Sep 16 | Conf-Concert | Ljubljana, Slovenia | ESMA Congress | European Society for Math and Arts Evening Concert w M.Andreatta |
| 13 Oct 16 | Atelier | Université de Pau | Atelier pédagogique | Atelier demonstrations à l'université |
| 13 Oct 16 | Projection Film | Ville de Pau | Evenement Fête de la Science 2016 | Projection grand public « Math et Musique l'Equation Poétique » |
| June 2017 ? | MCM 2017 | To be annonced | Mathemusic Congress | New movie and models |
| 2017 | Mamux | IRCAM Paris | Mathemusic Seminar | |
| 201? | | Univ of Shanghai | Public Conference | 欧洲 数学和音乐, Math and music from Europe |
